AIG Community

If you are preparing to make the transition to beautiful continent of Africa, we know how important it is to be part of a living environment that caters to your needs and offers facilities tailored to your lifestyle.

AIG Community Estate is designed to provide a cohesive social life and a high-quality residential experience. Enclosed within its boundaries, it comprises of various independently owned residential properties.

Safety and Security

One advantage of living in the AIG community estate is the excellent sense of security it provides, which can be a significant concern, especially for families with children. We will install CCTV cameras to monitor everyone's entry and exit. Moreover, the AIG estate will include traffic enforcement rules ensuring that all residents are safe and enjoy a peaceful environment .

An Eco-friendly Environment

We will create a park in the AIG community estate, many trees and shrubs will be present in these open green spaces, ensuring you always surrounded by the cleanest air and nature.

Access to All Amenities

The estate will create facilities necessary for daily sustenance, including grocery stores, entertainment areas, play zones, commercial shops, parks, gymnasiums, tennis courts, spa centers, and community halls." according to needs of our habitants.
